War Tax Affects Many Local Merchants.

All Toilet Articles Come Under Tax.

AUTO ACCIDENT ON BLUFFS

Forty-Pound Catfish Caught In Kaw River.

Other News Notes of Interest In North Shawnee.

The uneasiness which a number of the merchants on the north side have felt over the war tax has been relieved to a certain extent, by an article published in last night's State Journal.

Commissioner Osborne of the internal revenue bureau has notified all of the internal revenue collectors that as long as the merchants show a willingness and readiness to buy the new tax stamps they will not be prosecuted.

The notice which was issued to merchants and bankers liable to the war tax caused the offices of the various internal revenue collectors to be swamped with orders for stamps. It will be some time before all of the merchants receive the stamps.

Probably the drug stores will suffer more than any other line of business. Not so much by the amount of the tax as seeing that each article is stamped. The following articles must be stamped by the drug stores before being sold: Any essence, extract, toilet water, cosmetic, vaseline, petrolatum, hair oil, pomade, hair dressing, hair restorative, hair dye, tooth paste, dentifrice, tooth paste, aromatic, calomine, or any similar substance or article used or applied as perfumes or as cosmetics.

Each article mentioned in the above paragraph that sells for five cents must be stamped with a war tax stamp valued at one-eighth of one cent, articles selling for ten cents must have a two-eighths cent stamp, articles selling for fifteen cents, a three-eighths cent stamp. All of the above mentioned articles, when sold at a retail price of fifteen cents and not exceeding twenty-five cents are subject to a tax of five-eighths of one cent. And for each additional twenty-five cents of retail price, in a number of fractional part in excess of twenty-five cents, five-eighths of one cent.

It is understood that the war tax will not raise the retail price of any of the toilet articles, unless it is some of the imported ones. In a number of instances the manufacturer has agreed with the merchants to stand the tax.

Auto Accident on the Bluffs.
An auto driven by Claude Anderson, son of A. A. Anderson of the A. A. Commission company collided with a telephone pole, Wednesday morning about 3 o'clock. No one was hurt.

The accident happened at the west end of the Calhoun bluffs. The car was coming from the east at a rate of forty miles an hour and just before making the turn, to cross the Indian creek bridge, collided with a telephone pole. The telephone pole was broken by the force of the collision. The auto and pole were partly destroyed by fire after the collision.

Telephone service was severed between the bluffs and the city.

Household Economy
How to Have the Best Cough Remedy and Save \$2 by Making It at Home

Cough medicines, as a rule contain a large quantity of plain syrup. A pint of granulated sugar with 1/2 pint of warm water, stirred for 2 minutes, gives you as good syrup as money can buy.

Then get from your druggist 2 1/2 ounces Pinex (30 cents worth) pour into a pint bottle and fill the bottle with sugar syrup. This gives you, at a cost of only 64 cents, a full pint of really better cough syrup than you could buy ready made for \$2.50—a clear saving of nearly \$2. Full directions with Pinex. It keeps perfectly and tastes good.

It takes hold of the usual cough or chest cold at once and cures it in 24 hours. Splendid for whooping cough, bronchitis and winter coughs.

It's truly astonishing how quickly it loosens the dry, hoarse or tight cough and heals and soothes the inflamed membranes in the case of a painful cough. It also stops the formation of phlegm in the throat and bronchial tubes, thus ending the persistent loose cough.

A Pinex is a highly concentrated compound of genuine Norway pine extract combined with guaiacal, and has been used for generations to heal inflamed membranes of the throat and chest.

To avoid disappointment, ask your druggist for "24 hour cure of Pinex," and don't accept anything else. A guarantee of absolute satisfaction, or money promptly refunded, goes with this preparation. The Pinex Co., St. Wayne, Ind.
